Gift Aid – Tax Effective Giving Arrangements

I invite you to make your donation work harder for you and the charity. The Gift Aid scheme can apply to all your giving to this charity. Its main features are:

1. There is no minimum amount.
2. A Gift Aid Declaration can be made after the date of the gift.
3. A Gift Aid Declaration can cover a single donation or a whole series of donations.
4. There is no need to forecast the amount that you expect to give or enter into an arrangement which has to be able to last for up to four years, as under Deeds of Covenant.

Therefore these arrangements can ensure that the Charity reclaims the maximum amount of tax whilst you do not have to be concerned about making a future commitment where you may be uncertain of the figures.

At the end of the tax year we will simply be able to add up the total donations made and recover tax accordingly. If you are a higher rate taxpayer you too will be able to claim relief from tax on your donations.

There is no need to have your signature witnessed.

If you have any queries about the **Gift Aid scheme** please do not hesitate to make contact.

Getting the Tax Back

If you are a UK taxpayer we can reclaim tax on any money you give to the charity, via the Gift Aid schemes.

Currently this benefits us by an extra £28 for every £100 you give, at no extra cost or inconvenience to you!

Complete the Gift Aid Declaration and return it to the Trust. We will do the rest!

You should notify WCT if you change your name or address.

You can cancel the declaration at any time by writing to the Trust.

You must pay income tax and/or capital gains tax equal to the tax that the charity reclaims.

If you are not sure, talk to the Treasurer.
